How often do you use this product?

How often do you use the documentation?

How often do you use online help?

Do you prefer to use documentation online or in printed form?

Which do you consult most often: ◯ Online help ◯ Online manuals ◯ Printed manuals

Are you able to find the information you need?

Would you prefer another online format instead of Acrobat PDF files?

If so, please indicate the desired format:

What improvements would you recommend?

Other comments:
