

# Storagespace

DB2 storagegroups are documented in Predict with the object type *storagespace*.

See the section DB2 and SQL/DS in the **Predict and Other Systems documentation**.

In the predefined Predict metastructure, a storagespace has no predefined association. References to storagespaces are realized with the attribute (Default) Storagespace of objects of type database, dataspace and field.

This section covers the following topics:

- Storagespace Maintenance Menu
- Storagespace-Specific Maintenance
- Storagespace Retrieval
