

Natural Nucleus Error Messages NAT1351-NAT1400

NAT1400: Overflow for total/sum in Natural system function.

Text	Overflow for total/sum in Natural system function.
Expl.	The value that resulted from the addition of values from all processed records caused an overflow of the value for a Natural system function. The number of positions for a Natural system function is derived from the length of the argument field.
Actn.	Increase the length of the argument field.
