

Printing the Documentation

This page covers the following topics:

- Documentation Available in PDF Format
 - About the Printed Documentation
 - Downloading the Adobe Acrobat Reader
-

Documentation Available in PDF Format

The documentation has been converted to PDF files for ease of printing. Select a file from the list below to start the Adobe Acrobat Reader (if installed on your PC) and open the corresponding PDF file.

- Super Natural Release Notes
- Super Natural Installation
- Super Natural Administration
- Super Natural User's Guide
- Super Natural Tutorial
- Super Natural Glossary

The PDF file above correspond to multiple HTML files. You can use the print function of the Adobe Acrobat Reader to print the sections you require. This viewer software can be downloaded free of charge from the Adobe Website.

A table of contents is provided with each PDF file.

You can also print a PDF file for each individual page in this web by pressing the Print this File button in the

navigation bar. 

The CD Booklet is usually provided as a PDF file.

About the Printed Documentation

The HTML pages have been converted to PDF files as follows:

- from HTML to PostScript with the conversion program html2ps;
- from PostScript to PDF with the Adobe Distiller.

Downloading the Adobe Acrobat Reader

You can download the Adobe Acrobat Reader from <http://www.adobe.com>
